ABOUT NIKI

Niki is all about meeting people when life's not fair and embracing the truth that with God, life doesn't have to be pain-free to be full.

She encourages people that no matter what life's thrown their way or where they are faith-wise, God has more for them – He came to give them life in all its fullness and she loves nothing more than helping people see it, grab it and live it.

Weaving biblical truths with personal stories, practical tools, and a large dose of honest humor, she equips people to live this full life right in the midst of their often messy, painful everyday lives and thrive, not just survive.

BREATHE AGAIN

When life crumbles we are often left surviving a life we never planned. **Breathe Again: How to Live Well When Life Falls Apart** offers empathy, hope and encouragement that life doesn't have to be pain-free to be full, then gives you the practical tools to go live it. It is part mentor, part spiritual director, part best friend and one hundred percent down to earth.
